5th Grade Supply List 2020-2021

We hope you have planned a relaxing summer, filled with many memories. The fifth-grade teachers are hard at work, getting ready to begin a new school year. We are thrilled to meet your children and have an exciting year of learning ahead. We are focused on hands-on learning and inquiry, project-based learning, and a lot of FUN! Your students will be challenged and engaged and will come home with something new to talk about every day.

To make sure your children have all necessary supplies, the fifth-grade team has worked to consolidate our school supply list to be as cost effective as possible.
