

PWCS Specialty Programs At a Glance

What are specialty programs?

Specialty Programs allow students to explore advanced academic pathways, career and technical education, fine and performing arts, world languages, and other specialized areas. The goal is to enhance student engagement and prepare learners for success after high school.

PWCS offers a wide range of choices for specialty programs, including:

- Agriculture
- Architecture & Construction
- Automotive & Aviation Technology
- Cosmetology
- Cross-Curricular College Preparation
- Culinary Arts
- Fine & Performing Arts
- Firefighting, Medical, Nursing, & Pharmacy
- International Baccalaureate (IB) Programme
- International Studies & Languages
- Science and Technology
- Television Production
- The Governor's School @ Innovation Park

How do students participate in a specialty program?

Students apply to participate in specialty programs and are selected through a lottery system. Students can apply for up to five programs. Information about how to apply can be found at www.pwcs.edu/specialtyprograms.

Important: Students who want to participate in a specialty program that is offered at their zoned school must still apply for the program.

Where can I find more information?

- Visit www.pwcs.edu/specialtyprograms.
- Use the QR code to access the school information sessions.
- For general questions about specialty programs, email aasp@pwcs.edu.
