

Tyler Elementary's 'Kiss and Ride' Procedures

John Marshall Highway

FAQ's

1. How do I register for 'Kiss and Ride'?

© Families can register for 'Kiss and Ride' through the front office. They will be assigned a number and given a tag to place in car.

2. How can I be sure that my child is matched up with the correct car?

© Staff will have a list of assigned numbers. Students will ONLY be released to cars with the correct tag number. PLEASE do not lose your 'Kiss and Ride' tag.

3. What happens if I lose my 'Kiss and Ride' tag?

© Notify the office immediately and that number will be retired. Your family will be assigned a new number.

4. I worry about blocking the flow of traffic to and from Pace West. How will this be handled?

© PWCS has conducted a traffic study and determined that the width of the access road will comfortably allow 3 cars. There will be room for one lane of cars to enter, one lane to exit (ie. Pace West employees, delivery trucks, etc.), and one lane for our 'Kiss and Ride' families to idle until directed to door 16 to unload/load.
